

Big Cotswold Swim September 2015

There was a good turn-out for the second of the Big Cotswold Swims hosted by TriFerris at Lake 32 in the Cotswold Water Park on Saturday September 19th – despite the water temperature dropping considerably to a chilly 14.5 degrees. The day dawned with brilliant warm sunshine and crystal clear skies – perfect conditions for the event.

The distances were 1 or 2 miles in two separate waves.

Helen Kula-Przewanski swam the 1 mile course in a time of 26.07 bagging the prize for 2nd female.

During the second mile lap thick fog descended onto the lake which almost put a stop to the event. Despite poor ability to sight - (anything at all!) - Penny Hickson swam the 2 mile course in a time of 57.25 – (a PB!) and was awarded the 1st 50+ female trophy.
