PAYG

Although we would prefer members to commit to monthly payments, we are continuing to offer sessions on a casual Pay As You Go basis for those who are unable/do not wish to pay by monthly SO.

The rate is **£6.00** per swim to be paid in cash (no concessionary rates or IOUs).

General points

We would not anticipate that members will need to change their swim tariff more frequently than once a quarter. Lengthy unavoidable absence due to illness or long term secondment away from the area should be discussed with a committee member and allowance will be made accordingly.

Unlike other clubs, our system offers members flexibility. For example, if you pay the Bronze tariff and miss a swim one week due to work, illness, holidays, you could choose to have 2 swims the following week.

Additional swims on top of your usual tariff will cost £6.00 per swim, e.g. if you usually pay the Silver rate but want to fit in some extra sessions for only a 2-3 week period in preparation for a competition. Extra swims should be noted on the Payment Record on the desk.
